To the Clerk of the Municipality

No. 77. 1915.

BILL

An Act to levy a Provincial War Tax to supplement the Revenues of the Crown.

Preamble.

WHEREAS the Province of Ontario has granted and intends to grant assistance in aid of the cause of Great Britain and her Allies in the war now being waged; and whereas the said war has already been and probably will be the cause of a considerable reduction in the ordinary revenues of Ontario; and whereas there is now and has been for a number of years past provision in *The Assessment Act*, for the assessment, levying and collection of a Provincial tax; and whereas in conformity with such provision it is necessary and expedient at this time, that a rate should be imposed on all the rateable property in Ontario in order that the burden may be evenly and equitably distributed;

Rev. Stat. c. 195.

Therefore His Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:—

Short title.

1. This Act may be cited as *The Provincial War Tax Act, 1915.*

Interpretation. "Rateable property."

2 In this Act, "Rateable property" shall include assessment for real property, income and business or other assessment made under *The Assessment Act.*

Rate for war tax in local municipalities.

3.—(1) In each municipality which is separated from the county for municipal purposes and in each municipality in territory without county organization there shall be levied and collected annually by a special rate an amount equal to one mill in the dollar on the total value of all the rateable property in the municipality, and such amount shall be known as The Provincial War Tax.

Mode of collection.

(2) Such special rate shall be levied and collected in the same manner as municipal taxes and shall be similarly calculated upon the assessment as finally revised, and the amounts shall be entered in the collector's roll in a separate column to be designated "Provincial War Tax."

Where collectors' rolls already prepared for 1915.

(3) If at the time of the passing of this Act any municipal corporation has so far proceeded with the preparation of the collector's rolls for the year 1915 that it would be impracticable to insert therein a separate column as required by subsection 2, such corporation may include in the general rate of taxation for such year the special tax hereby imposed.

County rate for war tax.

4.—(1) In each county there shall be levied and collected annually an amount equal to the proceeds of a special rate of one mill in the dollar on the total assessment of the rateable property in the county as equalized for county purposes, and the amount to be so raised shall be known as The Provincial War Tax.

Collection of special rate.

(2) The corporation of each county when striking the rate or levying the amount required for county purposes in each year shall include therein and add thereto a special rate sufficient to raise an amount equivalent to one mill in the dollar on the total equalized assessment of the county and the same shall be assessed, levied and collected in all respects as though it were a rate for county purposes.

(3) The clerk of the county shall certify to the clerk of each municipality in the county separately the amount to be raised under subsection 2 in the municipality, and he shall not include such amount in the total amount certified by him under section 92 of *The Assessment Act*.

Rev. Stat. c. 195.

Application of Rev. Stat. c.c. 192, 195.

5. The provisions of *The Municipal Act* and of *The Assessment Act* shall, except where inconsistent with the provisions of this Act, apply to "The Provincial War Tax" and the said special rates in the same manner and to the same extent as if such tax and rates were imposed and levied for municipal purposes under the provisions of *The Municipal Act* or *The Assessment Act*.

Payment over to Treasurer of Ontario by municipal corporation.

6.—(1) The amount required to be raised in each municipality under section 3 and in each county under section 4 shall be paid over to the Treasurer of Ontario by the corporation of the municipality and county respectively not later than the 31st day of December in each year, whether the same shall or shall not have been collected, and shall be deemed to be a debt due to him by the corporation, and in default of payment thereof he may sue therefor in his own name as for a debt due to the Crown in any court of competent jurisdiction.

Receipts to form part of Consolidated revenue.

(2) The money received by the Treasurer of Ontario from such special rates shall form part of the Consolidated Revenue Fund of Ontario.

Exemptions from taxation not to apply.

7. The amount required to be raised in each municipality under this Act shall be raised, levied and collected upon all the rateable property therein by a general rate, and except as to the exemptions from taxation set out in section 5 of *The Assessment Act* and subject to the provisions of section 8, no partial or total exemption from assessment or taxation and no fixed assessment or other special provision or agreement shall apply to the assessment and collection of such rate, anything in any general or special Act or in any municipal by-law or resolution or in any contract or other instrument to the contrary notwithstanding.

By-laws granting exemptions on account of military or naval service.

8. The council of any city, town, township or village municipality may pass by-laws exempting from any rate to be imposed under this Act any person engaged in the active military or naval service of His Majesty, and any person who is the father, mother, wife or child of a person so serving or who is dependent upon him for support, but no such exemption shall reduce or affect the amount to be raised, levied and paid over by the corporation of the municipality to the Treasurer of Ontario or to the treasurer of the county, as the case may be, and the amount of every exemption granted under this section shall be raised, levied and collected upon the remainder of the rateable property in the municipality.

Loan for $2,000,000 authorized.

9.—(1) The Lieutenant-Governor in Council in order to provide money forthwith for the purposes of this Act may raise by way of loan a sum not exceeding two million dollars ($2,000,000), which shall be repayable within a term not exceeding five years, shall bear interest at such rate as may be fixed by the Lieutenant-Governor in Council, shall be raised upon the credit of the Consolidated Revenue Fund of Ontario and shall be chargeable thereupon.

Exemption from Provincial taxes.

(2) The Lieutenant-Governor in Council may direct that any securities issued for the loan authorized by this Act shall be free from any or all Provincial taxes, succession duties and impositions whatsoever.

Forms, rules and regulations.

10. The Lieutenant-Governor in Council may prescribe such forms and make such rules and regulations as may be deemed necessary for the full and proper carrying out of the provisions of this Act.
